

Pupil premium strategy / self- evaluation (secondary)

1. Summary information					
School	Sir John Hunt CSC				
Academic Year	21/22	Total PP budget	£323,240	Date of most recent PP Review	12/17
Total number of pupils (7-11)	735	Number of pupils eligible for PP	369	Date for next internal review of this strategy	09/22

2. Current attainment		
	Pupils eligible for PP (your school)	Pupils not eligible for PP (your school)
Progress 8 score average	0.13	0.63
Attainment 8 score average	38.78	43.23

3. Barriers to future attainment (for pupils eligible for PP)	
Academic barriers <i>(issues to be addressed in school, such as poor literacy skills)</i>	
A.	Low attainment on entry to the school, in particular in reading, writing and mathematical knowledge. KS1 APS -1.9, KS2 APS -2.0 – compared to national levels
B.	Yr. 7 PP students starting points from baseline data shows gaps in learning and subject knowledge
C.	Higher proportion of boys (55%) compared to girls, boys writing historically has been an area for improvement for all our feeder primaries
D.	Significant number of PP students also present with emotional and social difficulties
E.	PP students in particular lack resilience and will often give up at the first step if they perceive that they have “failed”
F.	Lack of aspiration to achieve potential, especially in yr 11 when they will “accept a grade 4” if they pursue a vocational pathway
G.	Key cohort of 15 – 20 students every year on entry are not “secondary ready”

Additional barriers (including issues which also require action outside school, such as low attendance rates)		
H.	Lack of parental support	
I.	Higher than average absence rates for PP students compared to national	
J.	Lack of aspiration in the community to value education (30% of people in the local area have no qualifications compared to 20% in SW)	
K.	30% of student population are living in poverty in the local area, compared to 15% across the SW. Child wellbeing index for local area is 64.4% compared to a SW average of 7.9%	
L.	Approximately 70% of students regularly come to school without breakfast (health survey)	
M.	Lack of cultural capital and limited experience to draw upon to support curriculum knowledge	
N.	All students have experienced almost 18 months disruption to their education due to Covid.	
4. Intended outcomes (specific outcomes and how they will be measured)		Success criteria
A.	High levels of progress in reading and writing for all pupils eligible for PP and equality of progress for all pupils	PP pupils in KS3 make equal progress in English compared to non PP students Identify clear areas where gaps exist in reading from KS2 to Yr7 in particular identifying details, make and explain inferences and the meaning of words in context. Ensure SOL are reviewed to account for this Review impact of the curriculum changes to English following NLE action plan Introduction of NGRT and Bedrock to KS3 students. Adopting GLT English curriculum and reviewing the direct instruction for lower ability students.
B.	High levels of progress in mathematical knowledge for all pupils eligible for PP and equality of progress for all pupils	PP pupils in KS3 make equal progress in Maths compared to non PP students Identify clear areas where gaps exist in reading from KS2 to Yr7 in particular measurement, fractions, ratio and proportion. Ensure SOL are reviewed to account for this. Use baseline data to identify and address gaps Review impact of the curriculum changes to Maths following subject review Adopt Hegarty/Sparx online learning platforms
C.	A curriculum intent that ensures all students have an entitlement to a broad and balanced curriculum that	Zero NEET target for end of KS4 Low absence rates for PP students

	ensures they have knowledge, skills and attributes that support future learning and employment.	Equal participation for OSHL and enrichment Review curriculum offer and audit against student needs Appointment of new Careers coordinator to raise students' ambition to promote college values Implement a year 10 employability programme with priority targeting PP students

1. Additional detail

Plan a PP review for 2021-22 to ensure that we have provided high quality teaching that is effective for disadvantaged learners and that we are providing effective teaching for all.

Provide additional support to PP students if in a lockdown situation by either providing devices to access Google Classroom or textbooks and resources to ensure all barriers are removed.

During Covid 78% of PP students accessed DfE provided laptops and were each individually supported on accessing the online learning opportunities.
