[Verse 1]

C G Am F
 I'm going under and this time I feel, there's no one to save me
 C G Am F
 This all or nothing really got away, you're driving me crazy
 C G Am F
 I need somebody to heal, somebody to know, somebody to have, somebody to hold
 C G
 It's easy to say but it's never the same
 Am F
 I guess I kinda liked the way you numbed all the pain

[Chorus]

Now the day bleeds
 Into nightfall
 And you're not here
 To get me through it all
 I let my guard down
 And then you pulled the rug
 I was getting kinda used to being someone you loved

[Verse 2]

I'm going under and this time I feel there's no one to turn to
 This all or nothing way of loving got me sleeping without you
 Now, I need somebody to know, somebody to heal, somebody to have, just to know how it feels
 It's easy to say but it's never the same
 I guess I kinda liked the way you helped me escape

[Chorus]

Now the day bleeds
 Into nightfall
 And you're not here
 To get me through it all
 I let my guard down
 And then you pulled the rug
 I was getting kinda used to being someone you loved
