

Sir John Hunt  
Community  
Sports College

‘If you missed our Open Event but would like a tour of our College please contact Mrs Evans to arrange a visit’.

## *Looking for an inspirational school for your child?*

Making the right choice of secondary school is one of the most important decisions you, as a family, make. We are a smaller school and we know all of our students as individuals; we are caring, supportive and aspiring. In joining Sir John Hunt you are joining our family, where we will challenge each young person to excel “To Greater Heights”.

The College and community are proud of our academic success, incredible facilities, outstanding care and guidance and the range of inspirational activities on offer both within and outside of College.

Don't take our word for it, come and have a look. Find out how we can help your child to be the best that they can be! For more information or to arrange a tour please feel free to contact Mrs Jordan on 01752 201020 or email [newintake@sjhcsc.co.uk](mailto:newintake@sjhcsc.co.uk)

## *Choose a school that they will love.*
