

Summer School Online Report

Sir John Hunt Community Sports College conducted Summer School from Monday 26th to Friday 30th July 2021. Our Summer School was designed following the [Summer Schools Guidance published by the DfE](#).

What we offered?

Sir John Hunt CSC ran an introduction to life in a secondary school for all our Year 6s into 7. Covid had significantly impacted on our ability to lead on our transition programme during term time and so this presented an excellent opportunity to offer an informal induction to our staff and our College. The week was designed to give a balance between academic subjects and enrichment experiences to allow students to forge positive relationships with new teachers, peers and familiarise themselves with the College environment.

What?	Description	Number invited	Selection process
Subjects Introductions	Students were given taster sessions introducing them to KS3 topics in Biology, Chemistry, Physics, Maths, English, ICT, History, Art, Music and PE to enable them to experience a range of different classrooms and teachers.	150	All Year new 7 students were invited to attend.
Team building	Students were encouraged to work together to solve a range of physical and mental tasks with a focus on our College Values of Respect, Ambition and Endeavour. This was to facilitate positive relationships with their peers	150	All Year new 7 students were invited to attend.
Celebration event	All students who demonstrated our College Values throughout the week were given the opportunity to attend the Celebration event at a local Family Theme Park. This was to facilitate an increase sense of responsibility and independence.	150	All Year new 7 students were invited to attend.

Attendance to Summer School
