

Sir John Hunt Community Sports College

Provider Access Policy

Introduction

This policy statement sets out the College's arrangements for managing the access of providers to students at the College for the purpose of giving them information about the provider's education or training offer. This complies with the College's legal obligations under Section 42B of the Education Act 1997.

Student Entitlement

All students in years 8-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact Miss Sophie Cooper, Careers Coordinator;
Telephone: 01752 201020; Email: s.cooper@sjhcsc.co.uk

Opportunities for access

A number of events, integrated into the College careers programme, will offer providers an opportunity to come into College to speak to students and/or their parents/carers. (See website link to College Provision Map)

Please speak to our Careers Coordinator to identify the most suitable opportunity for you.

Premises and facilities

The College will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The College will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Co-ordinator or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre, which is managed by the Careers Co-ordinator. The Resource Centre is available to all students at lunch and break times.
